ABOUT RESTAURANT TOOS

Welcome to Restaurant TOOS. My name is Tessa van der Valk, a fourth-generation member of the Van der Valk family and granddaughter of Gerrit and Toos van der Valk. I am proud to manage Van der Valk Hotel Hoorn, and together with our dedicated team, we strive to make a difference every day.

Our à la carte restaurant, Restaurant TOOS, is named after and inspired by my grandmother, Toos van der Valk. Through this restaurant, we aim to share her hospitality, warm family spirit, and passion for gastronomy with our guests.
Gathering together to enjoy delicious food and drinks in a warm and welcoming atmosphere has always been important to our family. These family values formed the foundation of her success and, after more than 150 years, continue to be at the heart of our family business today.

Mrs. Toos van der Valk, surrounded by a large and loving family, her 38 grandchildren and 48 great-grandchildren, hopes that the strong family bonds and the values of learning from one another will continue to be passed on to future generations. She believes that these family values, which are so important to our family business, will remain the foundation of its success for many years to come. She has every confidence in this, as every new Van der Valk generation grows up with these values from an early age.

As a family, we also believe in the importance of supporting local businesses. By sourcing locally, we invest directly in the growth and well-being of our community. It also contributes to sustainability, as locally sourced products travel shorter distances. Furthermore, local partnerships allow us to offer unique, artisanal products. These local ingredients can be found throughout our menu and are reflected in many of our dishes.
Handwritten by Mrs. Toos van der Valk herself, this menu reflects her personal preferences. Under Toos' Favorites, you will find her own wine, Toos Rosé, as well as a selection of her favorite dishes.

We wish you a wonderful time together, enjoying delicious food and drinks at Restaurant TOOS.
May it become a warm and cherished memory.

With warm hospitality,

Tessa van der Valk
General Manager

and all employees of Van der Valk Hotel Hoorn.
